

## **Dr Linda Kelly**

Dr Linda Kelly (MBChB, FCPsych, Cert Child and Adolescent Psychiatry) worked as a general psychiatrist at Tara Hospital, a specialist Psychiatric Academic Hospital in Johannesburg, and after obtaining her certificate in Child Adolescent Psychiatry from the colleges of Medicine of SA, as a child psychiatrist at the Child and Family Unit, Johannesburg Hospital (amongst others). Dr Kelly commenced fulltime private practice in 2007 in Johannesburg and is based in Cape Town since 2023.

She has a special interest in ADHD, Learning disabilities, Autism and Anxiety disorders. She volunteered her time with Autism SA, performing diagnostic assessments, and at Rahma Moosa Hospital, child psychiatry assisting with academic ward rounds and Registrar and Medical Student teaching until she left Johannesburg.

Dr Kelly is a member of the ADHD special interests, Group of SASOP. She co-authorized SASOP ADHD Child and Adolescent Guidelines, published in 2025 with Dr. Brendan Belsham and Prof. Renata Schoeman.
